

CORE CAPABILITIES

- **Equipment & Rental Solutions**
Boom lifts, scissor lifts, aerial work platforms, material handling, industrial and construction equipment, coordinated through established rental providers.
- **Portable Sanitation & Temporary Facilities**
Portable restrooms, ADA units, handwashing stations, restroom trailers, shower trailers, and temporary facility solutions coordinated to site requirements, duration, and service frequency.
- **Facilities & Site Services**
Grounds maintenance, landscaping, vegetation management, pest-related services, recurring site services, and facility support. Where licensing is required, services are coordinated through appropriately licensed providers.
- **Product Supply & Distribution**
Facility supplies, janitorial products, operational supplies, paper products, service-establishment supplies, and specialty products sourced to specification through distributor and brand-direct channels.
- **Technology & Software Solutions**
Commercially available software, licensing, IT products, and technology products sourced through established distributors and suppliers, plus custom technology and software solutions delivered directly or through qualified technology partners.
- **Vendor & Service Coordination**
Supplier identification and vetting, quote consolidation, scheduling, documentation, and project communication, with one accountable point of contact for the customer.

HOW WE WORK

SERVICE MODEL

Simcha eCom identifies requirements, sources appropriate products and services, coordinates qualified suppliers and providers, and manages fulfillment.

Specialized rental equipment and related field services are provided through established third-party rental and service partners as applicable to each project; those providers handle delivery, servicing, and pickup.

DIFFERENTIATORS

- Sourcing depth across categories.** Three years of high-volume sourcing and supplier management applied to organizational purchasing requirements.
- Single accountable point of contact.** Simcha coordinates suppliers and service providers so the customer manages one relationship rather than several, with direct CEO involvement.
- 51% woman-owned small business concern.** SBA WOSB certification application submitted and pending; not currently SBA-certified.
- Texas presence, nationwide sourcing.** Georgetown, Texas headquarters supporting Texas state and local buyers, with supplier reach beyond the region.
